

~ **Important Public Notice** ~

**Dear recipient**, be advised that the 'awaited' Messiah being the messenger of God walks this earth and, over the last 20 years has been formulating a message to humanity from the Source.

It is imperative that every person find their way to IT because all prior biblical and other supposedly sacred teachings were and are yet contaminated by untruth & deception and are of NO '*Salvation*' value and, all on this earth are as yet sliding downwards and backwards towards the Abyss of eternal suffering.

The past 'The OLD Testament' and 'The NEW Testament' are now OBSOLETE and superseded by this 'The Testament of TRUTH' which has been written by my personal 'hand' and soul of pure Light uncontaminated by 'Sin.' (Negative emotions)

Know ye that what is perfect is now come and, that which is 'in part'\* will be done away. (\* Old scripture) Show your Creator that you do now abide in TRUE faith and be merciful, forgiving and charitable unto all.

Sup from my wellspring of living water and attain eternal life of pure bliss.

There is a reason for the escalation of family violence and rising planetary aggression, terrorism, and unforgiving retribution taking place. It is caused by the psyche of man being attacked telepathically by a very Dark Alien Race of Spirit beings causing:

**Armageddon of the mind**

The reason "*why*" they seek to destroy humanity by turning man against man, and by 'Suicide' man against himself, and "*how & what*" to do to 'stem' the invisible invasion of thoughts into every mind, is contained within a message from the Source freely available at either:

< [www.the-testament-of-truth.com](http://www.the-testament-of-truth.com) >  
< [www.the-testament-of-truth.co.uk](http://www.the-testament-of-truth.co.uk) >

This Public Notice pamphlet is a brief outline of the message to humanity. For a 'quick' understanding refer <http://www.the-testament-of-truth.co.uk/briefsum/summary.htm> and:

<http://www.the-testament-of-truth.co.uk/briefsum/synopsis.htm>

The 'summaries' are 2 or 10 pages given in many languages.

This is a chillingly blunt message from the Source that each individual needs to read and come to a personally informed decision as to its truth and validity for them.

It explains the process of Minds under Siege, being the subjugation of our minds by negative thought intrusion from dark realms of spirit, and much more.

This message most importantly provides the wisdom from the Source whereby we can each prepare our minds and souls so we can remain sane, loving and caring when under duress.

This is a spiritual message of TRUTH to all titled:

**"The Testament of Truth"**  
that is:  
THE LIVING WORD OF GOD

This Testament is the living Word of God, being the "Correction of the Truth" on earth, it is God's Final message to humanity.

It applies to all irrespective of 'who' your God be, or whatever name. Be it God, Allah, Buddha, Mungu, Shiva, or of any other belief system.

It is the message which unfolds the beginning of the End. The swift escalation of the sword and famine that was prophesied would take place as mankind Reaps more quickly for past sinning Sown, after which, Peace will flow in and the meek will inherit the earth.

This document is the Correction of the Truth, and reveals the mystery of God and Christ's return, the true nature of Sin and the spiritual reality of Justice and Judgement, the reality of the message that Jesus came to earth to give mankind, and, the truth as to why he was crucified.

And gives the full explanation of How, Why, and When, the inhabitants of planet earth will be "attacked" telepathically on a mental level from within, and be mentally subjugated by evil souls on a lower level of consciousness (hell).

And how we will be used by them, to brutalise and destroy each other for a period of time in which insanity will prevail on earth.

It contains the WISDOM from GOD which will mentally fortify believers so that they remain sane in the process, and survive spiritually.

When you hear my call harden not your hearts  
Those that heed not this message through me  
will be bound by darkness and never be free

All spirits (Souls) that inhabit the fleshly material bodies of this level of consciousness (world) are to undergo a swift spiritual cleansing within. Being the purging-out of the energy essence of their negative emotions (the sin) to a greater or lesser degree. During this process, all souls will have to face their past, and REAP what they SOWED, meaning, whatever pain we caused to others, will now be done to us.

Souls will all show God by their DEEDS, as to their truth. During this time of separation, those that continue sinning (cause pain to others) will be confined to a cold dark place (Hell). Those who have heard the call to love and do not retaliate in any confrontation, thus following Jesus' call of PEACE, will go to heaven.

All souls are to now be separated, the Just from the Wicked, each soul choosing its own individual destination through its deeds.

GOD SAYS - I will now intensify the outpouring of my Holy Spirit essence to more quickly draw out the negative energy essence of your sin. Each time you abuse others, you draw in this negativity, that enlarges your sin (negative emotions) and counteracts my cleansing of your soul.

GOD SAYS - During this time of inner cleansing, you will all Reap what you Sowed at a faster pace. Whatever pain you have caused others to suffer, will be felt by you, at the hands of others.

In God's eyes, all are sister and brother, and what you have done and continue to do unto others, will return to you quicker and more frequently at the hands of others.

GOD SAYS -Any of you who continue to deny my call of Peace and Love will be confined in hell for a very long time. Bless all who abuse you, showing ME your forgiveness of THEM.

NOW IS THE TIME to follow Jesus, and be prepared to die "*as a Lamb*," if confronted by destructive forces. Thus abiding in MY CALL of non-retaliation and thus PASSING your test in SHOWING ME your belief in My WORD.

GOD SAYS - Any heeding this call will be cleansed of all inner sin, and as Jesus, will become a CHRIST SOUL. Meaning, of inner evil free, and will return to ME at the time that your fleshly body becomes uninhabitable (death) in earthly sense.

ALL who believe in ME must be prepared to help all who come to their door with food, shelter and love. (Care and God's wisdom)

GOD SAYS - To abide in MY Word, evil thoughts must be kept OUT of your mind. This is done by building the ARK of the MIND, that is a barrier of love between the negative emotions and the mind.

ANY who do not build this barrier will become overpowered by demonic thoughts and thus you will become a puppet for the dark side, and used by them to destroy others, and thus as you die your spirit will FALL into the dark fearful destructive pit.

GOD SAYS - As your Sin rises up within your soul before it is cleared out by MY Grace, it shows its full power and becomes very strong for a time and it is of the UTMOST importance to fortify your mind before this happens with My WISDOM, and also, keep daily cleansing the mind of negative thoughts by calling on ME in building the ARK of the MIND. For when your emotions become very strong it is THE TIME that invisible demonic forces can broach your mind easily.

REMEMBER - to be able to abide in MY Call of non-retaliation, and be Compassionate, Understanding, Forgiving and Merciful, you MUST try to control or keep evil thoughts OUT!. For if you give in to evil thoughts you are LOST.

GOD SAYS - The ONLY WAY to fortify the mind and keep sane is by building the ARK of the MIND, daily, with LOVE that flows when saying the Morning Star prayer. It is given on page: 9 below.

GOD SAYS - These prayers are to be said three times a day. MY Star shines for all, ALL are MY children.

GOD SAYS - The destination of each soul is at stake. YOU choose YOUR destiny, being your spiritual destination, by YOUR ACTIONS. Any who are arrogant, and who fail through not heeding, will fall into icy cold darkness for endless time.

This intense cleansing of the soul only takes place once every trillion years or more and thus, the open window into heaven will be closed to those who fail for this time span.

GOD SAYS - IF you believe that MY WORD as brought to earth by Jesus and other brothers and sisters over time, as indeed THE REQUIREMENT BY ME, then you MUST SHOW ME of your belief through your DEED and cast aside all weapons, stand unarmed before me. NOW IS THE TIME that MY 'WILL' will be DONE on earth as prophesied.

GOD SAYS - The earth plane is but a temporary residence, unbelievable wonders are in store for those who now TRY and believe this message. BE Courageous in the face of adversity, for it is at this time that you are being tested. STOP causing pain to others and become FREE.

GOD SAYS - I bless you all with this Wisdom, and any who make the effort and TRY will be saved and be elevated by My angels into paradise for all eternity when their fleshly bodies become uninhabitable. (earthly death)

You cannot comprehend the catastrophic power of negative thought that will now intensify with destructive intent, insanity will escalate, non-reason will prevail. Do not under estimate the need to daily build the ARK of the MIND as you will be tempted to retaliate.

GOD SAYS - MY LOVE IS UNCONDITIONAL in that it outpours and 'shines' through both the just and the wicked. My FORGIVENESS is such that irrespective of what you have done, you are always welcome home, either when you have fulfilled the Divine Law of "Reap what you sowed" or when you show me by your deed that you follow the way of your brother Jesus and go as a "Lamb to the slaughter."

Thus showing ME that you fulfill My call of Peace, non-retaliation and non-confrontation. May the Wisdom of this Command guide you in your decisions ahead in the knowledge of TRUTH and the wisdom of LOVE.

GOD SAYS - MY LIGHT again walks the earth, bearing MY WORD to all humanity. I ask those who have courage, who see or hear this message through My son Terence, the wielder of this MY pen to help him spread this final call so that all may be swiftly fortified with its wisdom and love.

Those that so do are MY TRUE LIGHT BEARERS to whom I entrust MY children, and upon whom will my blessings daily flow. I send MY Love, please try and believe.

### The Shepherd's Staff

**THE TRUTH -** Is the Crux of the Core,  
being the message of the cross for sure  
in that on "*your day*"  
you must not retaliate in any way.

**THE LIGHT-** Is the Wisdom from afar,  
symbolised by Christ's Morning Star,  
visible - in an earthly sense  
to any who would "recompense."

**THE WAY -** Is GOD'S WORD  
of Peace - not the sword,  
of Mercy and Compassion too,  
and ONLY - let love through.

So the Staff of the shepherd is God's strength - that is revealed to you at great length  
and IF on the strength of God's Word you lean - then all inner darkness will God from you  
wean

~~~

**Which faith is the TRUE FAITH - O GOD of the sky  
please of this wisdom do not me deny**

The true faith is ONE - that of MY WORD - those that it hear not think it absurd  
religious faith - is a word of mankind - and through its follies - man is in a bind.

Twisting and turning saying - which way to go - which side is true - the lesson we don't  
know. So I say to you - see it clear - 'tis direct to ME your GOD must you now steer

HEED MY WORD - every day - HEED MY WORD - and daily pray  
ABIDE BY MY WORD - is what I ask - ABIDE BY MY WORD - 'tis your only task

God's Commandment  
LOVE ONE ANOTHER

~~~

### Sin

SIN: Is the seeds of darkness within the soul. (Negative emotions)

There are many different "sins" within the soul of an evolving spirit, e.g. Fear - Hatred -  
Anger - Greed - Jealousy - Vengeance - Criticism and many more.

This "energy," is drawn from the negative side of the universal energy source (destructive).  
And surrounds the light at the core of the soul, which is the divine spark of God. Being the  
positive emotional feeling of love, joy, etc. - (Creative).

SINNING is - The act of mentally or emotionally or physically inflicting pain onto another person.

SINNING is - The act of taking by force or otherwise for gain.

SINNING is - The negative side exerting its control on earth and is the Reaper in action through the ignorant.

SINNING is - Anti Christ, Anti Love, Merciless & Unforgiving.

We COMMIT a sin as the direct result of succumbing to negative thoughts, which enter our minds through the vibration of the sin force. The sin "force" is the "doorway" through which our mind is impregnated telepathically.

It is the negative thoughts which activate the fleshly body to perpetrate misdeeds in God's eyes when acting negatively, verbally or physically. It is during the act of sinning that we are SOWING darkness that we will REAP. (suffer)

The sin force IS the Dark energy of God, and during the ACT of sinning, we are expressing negative energy at an intensity corresponding to the intensity of the energy flowing through the sin force.

The upper limit of the intensity of darkness that we can "outpour" will depend on the size or "volume" of this dark essence within us. The different negative emotions within us have different volumes, our negative actions (the sinning) have the express purpose of causing pain and spreading deceit.

The flow of universal LOVE draws these forces up through and eventually out of our souls on a continuing basis until the soul is free of them all and finally purified (Christ soul). Having only light within.

Your - Task is to do your bit selflessly, with faith, hope, compassion, and forgiveness in your heart.

Your - Effort is needed, to not become a part of what you see around you.

Your - Effort is needed, to remember Christ's words: "Forgive them, for they know not what they do."

Your - Greatest effort is needed within yourself, to overcome negative thoughts rising up in your mind, and controlling your actions.

Remember If you fail in the above, your thoughts will to varying degrees be controlled by invisible dark forces and your deeds will become questionable and beyond your control.

Remember All souls are being tested and elevated in varying degrees.

Remember The sin, being the negative feelings in all beings are being brought forward to be cleared in those in the flesh, and in spirit.

Remember No confrontation, walk away from aggression.

Remember Do not arm yourself, this attracts aggression and lowers your faith threshold.

Remember God is by your side, do only what He would do and feel His presence with you.

Remember To attain heaven you must pass over whilst not sinning.

Remember Retribution from our past sinning will come from many hands.

Remember Christ Jesus our hope. (His message from the Light)

~ The LAW of GOD ~

You will "Reap" what you "Sow" - What you do to others will be done unto you.

If your expressed deeds are negative you will become satanic  
 If your expressed deeds are positive you will become as Christ  
 Those who deny my "Only Love" Commandment will be destroyed by ME. (God)

**JUSTICE**

The perfect Justice of God's Law as now revealed:

- 1 - We reap what we sow at the time and place ordained by God that we so do.
- 2 - Whosoever is abused and suffereth any pain, mental, emotional, physical, loss or more, let all mankind know that this soul did it to others before.

**JUDGEMENT**

And as for one day when you stand a'fore the Lord, that's mankind's belief - not the true word. For 'tis we - who judge ourselves see, and our judgement is our destiny. (*spiritual destination*)

**The CREED OF GOD**

I am the source of everlasting love - I am the source of everlasting truth  
 I am the giver of all life - I give my all to those who heed my call.

**God's WORD & TRUTH**

Non-retaliation, lay down your weapons, be prepared to "go" (die) "as a lamb to the slaughter." Follow in Jesus' footsteps by heeding the Creed above by "deed," and I your God will save you.

You will reap what you sowed.

Heed Jesus' message that issued forth from ME.  
 Heed now this message through Terence.

Once sinless, it is your soul "resurrected" into its birthplace, heaven, My world.  
All are My daughters and sons.

My Wisdom "through" Jesus is the "bread," sup on these clarified teachings now through Terence and you truly sup on living water.

Man's creed should have said, "I believe that Jesus was sent by our Father and thus I will believe his message now clarified through Terence and heed it daily."

**God's Way:**

Your 'house,' being your spirit soul IS only standing on firm 'rock,' when you abide in the WORD of GOD, being: "Love one another"

It is the deceitful "*whisperings*" of the serpent that say; "*You can defend your flesh and thus destroy each other in self defence as you are already forgiven for your sins through the crucifixion of the one and only son of God who died for your sins.*" This common belief is the total denial of God's holy living WORD of:

" Love one another"

**The CREED OF CHRIST**

The CREED OF CHRIST does say:

"Heed me the son of God today, and thus you fulfil God's will."

Daily turn the other cheek.

Make no other cry.

Be merciful to all.

Peace unto all mankind.

Strive to remain meek.

Be forgiving for sure.

Believe I am by God chosen.

My way is the ONLY WAY.

I look to the bright Morning Star shining for me from afar,  
cleansing my mind with God's love as I abide in the call of Her dove."

It is I - who announces my return with the authority that I did earn, and the message of the bright morning star is your proof - sent by Father from afar.

The reason, as to why I return to bring the new doctrine from our Mother and Father (God) at this time is that over the last two-thousand years man has wrested the scriptures unto his own destruction.

It is only now that simple man has the educational qualities to understand the full message with its "bitter" implications, and has also a "common" language and the communication systems available to spread the message over the planet swiftly.

Go your way in PEACE

Be merciful - compassionate - understanding - forgiving.

~ **The STAR OF BETHLEHEM** ~  
The 'Morning Star' meditation prayer.

If any one of these meditation prayers is said three times a day, then slowly but surely the ARK of the mind is built, giving us an inner mental cleansing and strengthening that lessens the invisible power of negative thought.

I repeat, do it from today, before your mind is out of control, and become stronger within. With this inner strengthening we will find ourselves calmer in the face of adversity, and more able to remain in control of our actions as our dark sin surfaces within, as it is drawn up and out by God's Grace.

Children:

Children, children, you must pray, pray to Jesus every day.  
Ask for love and strength for you, keep calm, and please be true.  
Children, in this coming time, I'll need your love and you'll need mine.

Be strong and calm and quiet too, remember always that Jesus loves you.  
Children, trust me day by day, so that your hearts will never stray.  
When all around you starts to fall, feel my love and you'll walk tall.  
Children, children, quiet now, trust in me I'll show you how.

Say these words three times a day, and to Jesus, please do pray:

I see the Star of Bethlehem high up above  
brilliant and beautiful and filled with God's love  
I see a white light shining down from this star  
cleansing through my body with its power from afar  
wonderful Jesus please now be with me  
fill me with light and set my soul free

Adults:

Jesus, I see your shining Star, Jesus be with me, Jesus please help me and save me.

People of any race or creed may use either of the above prayers or say:

Creator of the Heavens - Mother of love\* (\* or Father)  
I see your Star shining above  
please cleanse my mind with all your love  
so that I may heed your call of peace from above

This meditation is the key to the "well-spring" of inner love, the eternal flame of light and love within each soul, enabling it to flow more easily, allowing healing of the spirit soul to occur, thus over time "easing" the whole being on all levels. The star prayer is a sincere communion prayer between a person and the Creator, and/or recognition of the true message of "*Peace and good will unto all*" sent by God via Jesus.

It is not a prayer to be forced upon any, nor is it one that becomes a ritualised public one. It is the individual and personal thrice daily confirmation of ones commitment to the external expression of '*Peace unto all.*'

It is best to seek 'communion' direct with God within as you think of the pure white star, and in earnest say or think the words of the prayer as you remember all that is required of you to be mentally strong, so that you can stay within the positive Light side of God's Law throughout the day, by being peaceful, merciful, compassionate and forgiving in all situations, and to not fight back in self defence as peacefulness is the true and only way to Salvation.

Naturally mothers and fathers can and should sit quietly with their young children once or twice a day or more, and help them by saying the prayer with them, and discussing the reasons for saying it as they ask how their day went, and to help them calm their fears.

Once the Star prayer has been said by you then you may say this to our Creator:

I am NOW filled with thy divine Love. That IS your mighty cleansing Power.  
That IS your Love and Light. That IS eternally present.  
That IS your Wisdom of your Word of "*Peace NOT the Sword.*"  
I am now glorified by thee - so must it BE.

I WILL become stronger each day as I 'bow' to your loving Command and as I go my way I will now extend mercy, compassion, and forgiveness to all that I meet and, I will tell all of your message that stands tall on the Internet street.

I AM now blest by thee with this new wisdom to clearly see.

Note: If you are an 'Atheist then try and see the reality of the two opposing energies which one can 'draw upon' in ones interaction with others and, try and understand that they are a 'law' unto themselves and, whatever you do unto others will by others be done unto you as they will use the same energy you did for that is absolute Justice, as you either gave 'lovingly' or imposed 'cruelly'

The Reality Being: **THE MORE WE DO THE STAR PRAYER**

**THE MORE LOVE** waters the rose within our souls and fortifies our minds and calms the emotions.

**THE MORE LOVE** exposed to our consciousness and those linked to us, the greater the clarity for us to see and understand the reality and nature of negativity, being the sin, the darkness, and how through ITS deception and cunning IT keeps us ignorant of ITS existence, thus its control over us and our bondage to it.

**THE MORE LOVE** flows to us through our 'choice' and assists us now to make an effort to never allow negativity to be expressed through us whatever the circumstances, feelings or thoughts, thus our part is the doing, and **GOD** will do the rest.

**THIS TASK - LOVES TASK for LOVES SAKE** is the only most worthwhile task there is for me, you or anyone.

**REMEMBER** - The centre of your soul God's Kingdom be, the more you cloud this Light with negativity, the harder it gets to see reality. - Daily say these words to God:

Your Light is eternally present and I know that you created my soul with both of your energies, and my spirit soul lives on forever and it expresses your infinite ideas, be they good or bad, so there is no need for 'vanity' on my part for all that is given through me emanates from you **THE Creator**.

**LOVE WILL FULFIL ITS PROMISE**, being that if we ITS "*Only be loving*" call heed, then it will free us of our darkness within. No individual can do this for another, love is freedom of choice. Education is the only way forward today.

Remember Christ's truth - "Go your way in peace" - it is the only way to avoid becoming trapped by darkness.

The invisible power of the darkness is its "spell-binding" continuity of thoughts that can keep our minds going round and around in endless circles of worrying, or things to be done, or unforgiving thoughts of past happenings, all resulting in deepening stress, confusion, mental exhaustion, and energetic "hype."

"It" the Serpent, traps us mentally into believing that "we" will not find inner peace until we resolve the problem by thinking about it and attempting to find a solution. This is deceit as there is no resolution to the problems considered, nor any ending to the areas of "searching" when our minds are linked through our negative emotions to the "*Whisperings of the Serpent*.."

The Serpent slowly controls us through our thoughts that are the inspiration of our expressed negative deeds that become more irrational and then fatal to ourselves and/or others..

Thus we only attain peace through the cessation of the confusing or negative thought flow. This is only accomplished by "breaking" its "spell" over our minds which takes place momentarily each time we do this meditation prayer, thus allowing us a little mental respite.

We are also linked mentally (telepathically) to other spirits on other levels of consciousness at all times through the vibration of our negative emotions. It is their minds too that are the link for the deceiver to reach us.

They are aware that they reach "us" mentally but do not realise that they also are being "manipulated" in the same manner from other levels, and thus, they too need to be telepathically inspired by us to also do the Star meditation so as to free themselves from negative thought intrusion into their minds, and it also "waters" their inner spiritual Rose with love.

They must be told telepathically (thoughts or verbally) to desist from contacting us.

Many of these beings are our ancestors who are attempting to guide us here with their misguided ancestral beliefs, not realising, that their "control" over us is contrary to God's wish that all have freedom of choice, and freedom of expression.

Trust now in God, let the light of God break the spell of the Serpent's thoughts three times a day, giving us a little respite as we say the Star prayer, and thus, we are able to remain sane until the time that our Creative God of light and love has "removed" out from our souls the negative emotions, one by one, that are the sin.

For it is then and only then that the "doorway" to this darkness is closed, and then, as there is no avenue for negative thoughts to reach our minds, clear rationality and Peace within at last are found.

### DAILY PRACTICE ~

BE **aware** of our own thoughts and feelings.

BE **the** Light in action at all times in all situations.

BE **observant** of unkind thoughts within self that would you snare.

BE **respectful**, kind & forgiving & understanding in every situation.

BE **aware** of the negativity that exists within, teach others of its reality.

BE **vigilant**, for your thoughts become your deeds which form your 'judgement.'

KNOW **that** what we put out comes back to us, good or bad and, that only through the Star prayer can the spell of negative thought be 'stemmed' or broken.

KNOW **that** in doing the Star prayer you are trying to BE true to the source of Light and you personally will halt the ingress of negativity and have a greater chance of not retaliating when adverse situations occur.

DO **keep** your mouth shut when your emotions are running high.

DO **practice** stopping negative thoughts as they enter your mind.

DO **not** let any day be coloured by the past or by concern for the future.

**Say** the Star Prayer three times a day.

Trust in God - let it so be  
trust in God - thus you will be set free.

End
